# FAMILY WORLD (FAMILY SKIING)

**Boundless. Happy. Laughter.**

A ski resort made for cool kids! It's obvious why many adventurous families have chosen the Nassfeld ski resort, with 110 kilometres of pistes and 30 cable cars and lifts, as their favourite destination for a winter break. The whole package here is just perfect! In the snowy Family World, there is the perfect terrain for every junior skier, whether at the BOBO Mini Club or at one of the three children's ski schools. The minis can try their first turns as often as they like in the safe children's areas Sonnenalpe, Sonnleitn, Tressdorfer Alm and Tröpolach.

Apart from safety, one thing is clearly at centre stage: boundless fun! Real moments of happiness that will remain forever in the minds of the more experienced kids can be enjoyed on the family-friendly pistes, the „The Snake“ adventure slope or in the snow park. On top of that, there's an extra portion of attractive family prices that also guarantee relaxed holidays full of laughter for the parents. From rental equipment to affordable ski service directly along the pistes - many small „Nice Surprises“ make everyday life on the pistes around Nassfeld that little bit easier and nicer for families.
